Crowe Q. What can you tell me about a shooting at the Clark Station at Empire and Linden Streets last night?

I stopped at the gas station at about 8:05PM and put \$3.00 of gas in my car and then went inside to pay the attendant. The attendant was not friendly like he usually is. This time he seemed nervous and upset and didn't say a word the whole time I was in there. He looked at me real strange and when I handed him the money he almost dropped it. There was another man in the station at this time and he was standing at the end of the counter where you would go if you were going behind the counter where the attendant was standing.

Crowe Q. Can you describe this other man?

A. Yes, he was a White Male about 23 or 24 years old with shoulder length Blondish Brownish hair. He had a mustache that was not thin or very thick, sort of medium and he had what appeared to be a two or three days growth of facial hair as if he hadn't shaved. He had about a one inch scar on the right side of his chin and he was wearing a small Gold ball ear ring in his left ear. He had on a Black baseball cap with a logo on the front that was in yellow or White. He was wearing a Army Green T-Shirt under a Black motorcycle type jacket. The jacket was waist length with a belt at the bottom and shoulder tabs. The jacket zipped up the front and had a flap that folded over starting at the left shoulder area and went down towards the waist. The subject kept his hands in his pockets but took them out once to pull out a box of Marlboro cigarettes and light one up. The subject was wearing Blue Jeans but I didn't see his shoes.

I have read each page of this statement consisting of Two page(s) each page of which bears my signature and correction, if any, bear my initials and I certify that the facts contained herein are true and correct.
