DETECTIVE DIVISION:

2/11/93

[REDACTED] told me that his brother [REDACTED] DOB: [REDACTED] who is currently in prison for Child Molesting had been told directly by Jamie SNOW that he did the Clark Station killing.

I do not know how reliable this information is but I thought it should be passed on regardless due to the magnitude of the case. It would likely be possible for me to conatct [REDACTED] again if needed.
